Our lives are spent in a sequence of brief moments, constantly gathering bits and pieces of life's offerings. This book is a segment of a moment, a moment relevant to the world we face tomorrow and look back on today. As you leaf through this LOGUE may you capture the memories of loves and friendships pressed between its pages and the pages of your mind. May you always cherish the spirit of NorthWood High and remember.

THE TIMES OF YOUR LIFE

*Good Morning, Yesterday;
You wake up, and time has slipped away.
Suddenly it's hard to find
The memories you left behind,
Remember.*

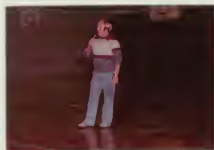

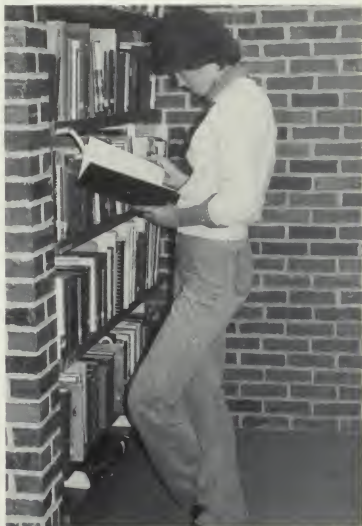

*Do you remember the laughter and the tears
The shadows of misty yesteryears
The good times and the bad you've seen,
And all the others in between
Remember.
Do you Remember the times of your life?*

*Reach back for the joy and the sorrow
Put them away in your mind;
For memories are time that you borrow
To spend when you get to tomorrow.*

*Here comes the setting sun;
 The seasons are passing one by one.
 So gather moments while you may;
 Collect the dreams you dream today,
 Remember
 Will you remember the **TIMES OF YOUR LIFE***

A Night to Remember

Despite the misty October night, spirits were high as Deb Beehler was crowned 1980 Homecoming Queen. It was a 'winning' feeling all around when the Freshmen and Junior classes took honors in the float competition. The football team topped off the evening by defeating conference foe, Concord, by a slim 18-14 margin.

Sweetheart: A New Tradition

With all the new additions occurring at the high school, it seemed only fitting that the Sweetheart Ceremonies should also be revised. And that they were . . . as NorthWood High School was to crown not only a 1981 Queen but also a King on February 16. Taking honors on that evening in the school gymnasium, before NorthWood and West Noble fans, were seniors Lona Kitts and Kevin Heckaman. The Panthers won the game 77-66.

Addin' On . . .

Since the official ground breaking in March of 1980, NorthWood has taken on a new look with the help of Architect E. I. Brown, Co. of Indianapolis. Additions to the school included: Activities Center, Pool, and locker rooms for both facilities. W. A. Sheets & Son, Fort Wayne, has served as General Contractor for additions to NorthWood, Union Elementary and Harrison Elementary. Projected completion date is set for July, 1981.

This years Panthers had a lot to be proud of. Spirit was displayed in many ways. The Community members got involved by decorating their houses during football and volleyball season. The school also got involved by decorating the doors of each classroom.

Inherit the Wind

The fall production "Inherit the Wind" dealt with the controversial issue of the theory of evolution. Although evolution was the topic the nationwide interest in Scopes' "monkey trial" resulted more from the prominence of the two lawyers Drummond (D. Blucker) and Brady (L. Ramer). The play was a big success with the added attraction of Jim McCune and his trained monkey, CHICO, from Toledo, Ohio.

Tradition is the foundation of Jewish beliefs. Their traditions carry them through the good, as well as the hard times. However, times change, and as times change, so must traditions. This caused conflict and abrupt changes in Tevye's life. *Fiddler on the Roof* encompassed the precarious position of those

traditions in a changing world. Leads for this moving musical were held by Rich Bieve and Ann Neff. Others of the cast included: B. Sides, C. Yoder, I. Cook, N. Weldy, S. Johnson, J. Weldy, L. Ramer, D. Blucker, W. Johnson, J. Culp, and J. Loucks. The fiddler was Jessica Billey, a Jr. High student at Wakarusa.

Oklahoma

Based on territorial settlement, NWHS Theatre Department presented its one-night production of Broadway's *OKLAHOMA* on February 6. The cast, formed from three diverse groups, worked together for a finished show. First, it was the students who enjoy theatre and have become Thespians. Secondly, it was faculty who indicated an interest in being involved in some way. Thirdly, and for the first time this year, it was parents who are becoming involved in a drama project with their sons and daughters and their teachers. All three groups cooperated with time and effort, and most importantly, they gave of themselves. The production was a success and enjoyed by the sell-out performance.

TOP RIGHT: Ado Annie (A. Neff) and Andrew (J. Brady) listen as Ali (G. Reed) speaks.

Behind the Scenes

What would the Drama productions be like without make-up, sets, wardrobe and lighting? It just would not be the same without the "behind-the-scenes" personnel. Committee work is as important as the production itself. As soon as the cast is selected, work begins for everyone. Committees spend hours before a production preparing cast members for their

performance. But when the production is over, and the cast takes its bow, the applause of the audience is not only for them, but for the effort of all those who worked so hard "behind-the-scenes." So a big "Thank-You" is in store for all of those who make the Drama Dept. and their productions a big success time after time.

In Concert

The Music Department of NWHS put together another great year of concerts. The band was under direction of a new instructor, Mr. Rick Smith. Mrs. Becky Coffin returned to direct the choir which included 32 outstanding seniors. The band and choir performed both separately and together in concert with numerous performances given by the Jazz Band and Dawning Generation.

"The Best of Times"

Junior class members chose the theme "Best of Times" for the 1981 Junior-Senior Prom held May 2nd. Prom goers met at the school after a family style dinner at Amish Acres Restaurant in Nappanee. Prom King and Queen, selected by seniors, were announced as being Lynn Couse and Trent Sheets. The North Surge, decorated in shades of green, became the dance floor while the "Alien" Band performed. Prom movie, "The

Sting" was shown in the auditorium and "Murder by Death" was presented for after-prom. Others enjoyed bowling, eating at Warsaw Pancake House, or later traveling to the dunes for some fun and sun. A few members of the senior class were found entering Nappanee Pizza Hut in formal wear on prom night. But, wherever prom goers spent their evening, it will be a memory to cherish through the years.

A lot of Hassle . . . For a little Tassel.

May 17, 1981 was a big day for 196 seniors at NorthWood High School. It would be a day they would say goodbye to classmates, faculty, and a lot of people they had grown close to over their school years. But it was also a day to reminisce and cherish those friendships.

This year's commencement was highlighted by the two senior speakers, Ty Bollinger and Carla Yoder. After seniors received their diplomas and daisies, class president Bart BeMiller presented the class of 1981 to a near capacity filled gymnasium.

Sports . . .

Baseball Team Excellent in State Tourney

The 1980 NorthWood Baseball team got farther in the state tourney than any other baseball team in the history of NorthWood High School. The team, under the direction of Coach Bob Riley, won both Sectional and Regional titles, but lost the first game in the semi-state to a very good LaPorte team. At the end of the regular season, the team was ranked seventeenth in the state with a record of thirty wins and eleven losses.

Most valuable player of the 1980 Baseball team was Brian BeMiller. He was picked to be on the NLC first team and on the North All-Star team. Mike Campbell served as the team captain and Tim Weaver was the team's batting champion.

Panther Spirit Lifted High

Throughout the year the Panther athletes were encouraged by the spirited enthusiastic cheerleaders. By planning pep sessions, spirit weeks, and coming up with many ideas to get the students and athletes fired up, the cheerleaders contributed to the success of the 1980-81 Panther athletic year.

The girls worked hard over the summer and it paid off as both Junior Varsity and Varsity squads won second place at cheerleading camp. The JV's showed off their talent at the Elkhart County Fair by walking away with the first place trophy for both the area and overall competitions.

Many Hard Workers

The administration worked hard this year to make sure NorthWood ran smoothly. The administrative secretaries and superintendents worked hard up town while the school secretaries, nurse, and principals worked here at the school. The school board met twice a month to smooth out the wrinkles along the way.

The administration had many hours of planning and preparation that went into the new buildings and football field that were being added to the school. Also a lot of time went into trying to reach a decision about the heating system at NorthWood.

Efficient School Employees

The cooks and janitors worked hard to keep us fed and to keep the school clean.

This year the new lunch program threw a monkey wrench into the whole system. It was rather confusing for students and cooks alone but soon cleared up. The cooks like it and students seem to also.

The janitors did a real good job of keeping the school clean and neat. There was rarely a spec of dust anywhere.

Academics . . .

Agriculture

The Agriculture Department offered four years of agriculture classes. They studied crops, farm animals, and equipment maintenance, among other things. Ag was an elective class which directly coincided with Future Farmers of America or FFA. Frank Williams was in charge of FFA and also taught the Agriculture classes. The FFA did many outside projects like the slave auction held at NorthWood to "sell" each of the members to adults who owned farms and needed help. This helped the kids to earn money. They also worked on many other projects.

Art = Creativity

Out Art class was again a big success. Many students were able to enter their projects in the annual art show. The creativity they showed in their sketches, paintings, and designs was well displayed. Everyone worked hard and did a great job. Advanced art stu-

dents had a choice of taking crafts, jewelry, commercial art, and textiles.

Business

Each year there is always a great demand for business education. Again, the Business Department did a good job of educating. They all required dedication, outside preparation, and lots and lots of practice.

Career Center

The Elkhart Area Career Center gives students valuable opportunities to get increased knowledge in the career area of their choice. Students spent 4 hours a day at the Career Center. The time was spent doing classroom work and practical experience. Other classes available were Mechanical Drawing, Auto Shop, and Television. They had access to excellent facilities and got a chance to meet lots of new people from other schools.

Language Arts

Freshman, Sophomores, and Juniors, were required to take full year courses in English and they learned many new things. Even though seniors were not required to take English, many did so that they could add to their knowledge or perhaps prepare for the harder English classes they would encounter if they were to attend college. There were five phases; ranging from easy to difficult and each course was nine weeks long. Classes ranged from Expository Writing, to Bible as Literature, Journalism, Voice of Youth, and others.

Foreign Language

If a student at NorthWood wanted to take an elective which would add a little culture and increased knowledge in his life he had a choice between two foreign languages: Spanish and German. Both classes did a lot of studying but also had a lot of fun.

Home Ec.

If you find taking care of an egg as if it was a baby, cooking with a flair, sewing, and planning for a family and husband a challenge you would enjoy any of the classes the Home Ec. Department offers. Many students enjoyed taking these courses.

Phys. Ed.

Although freshmen were required to take a full year of physical education and a semester of health, the sophomore, juniors, and seniors also participated in the Health and Physical Education Department activities. They took classes like bowling, tennis, volleyball, First Aid, and Anatomy. These classes kept people in good physical condition while they also had lots of fun.

Industrial Arts

Industrial Arts classes produce creativity. This year teachers taught students the basics and the finer points of Auto Mechanics, mechanical Drawing, and Wood working. Many great projects were produced to the satisfaction of both the student and the teacher: resulting in accomplishment of something worthwhile. These classes will help students bet better jobs after graduation, and will be used either in an occupation or a hobby. The students became quickly acquainted with Industrial Arts.

Math

Freshmen were required to take one full year of Math. They could choose from Basic Math, General Math IA, or Algebra I. Sophomores, Juniors, and Seniors could choose from any of the following electives: Algebra IA, Algebra II, Geometry, and Computer Math. Computer Math could also be taken as an elective summer course if the student didn't have time in his regular schedule.

Science

This year the science department consisted of Physics, Biology, Earth Science, and Chemistry. It also welcomed a new teacher; Rita Hartman. She taught Chemistry, Earth Science, and Physical Science. Biology classes learned about the anatomy of animals by dissecting sharks and studying the various parts. Biology I and II were taught by Steve Neff.

Social Studies

Government and Economics were once again required for seniors and consisted of studying the nation's economy. U.S. History was required for Juniors. Civics was required for Freshman and was a preparation for Senior Government. Some of the electives were: World History, Psychology, Sociology, Survival in the 80's, and Parenting.

Makin' Music

The NorthWood band members were very active during the 1980-81 school year. The last week of August the Marching Band attended the band camp where they learned new drills and started practice on their show.

During the year the bands gave three concerts, the first for marching band

music, the second at Christmas, and the last in the spring.

Money for music and new equipment was earned by selling cheese and sausage, and nuts and popcorn.

The symphonic band participated in

state organizational contest on April 25 and received a first for a fine performance.

Jazz Band

Rick Smith was the director of the 1980-81 Jazz Band. They performed some of the best concerts in the history of the NorthWood High school Jazz Band. Mr. Smith was a welcome and great addition to the Music Department as he became the new band director. Everyone enjoyed the concerts he and the band students gave. They were always excellent and well prepared. They performed at many activities in Mr. Smith's first year. Although they worked hard, they also took out time to goof off and have some fun.

The Jazz Band works on one of their many pieces which they prepared for their concerts.

Dawning Generation

Becky Coffin again led the Dawning Generation to a success year. After returning from a break, she came back this year and the DG never sounded better. They did many performances and were enjoyed by many. They added to the regular choirs a taste of difference. They sang and danced and did many routines while performing their songs.

Choir

Becky Coffin returned to NorthWood as the Choir Director for the 1980-81 school year. Once again the choir gave two outstanding performances; one at Christmas and one in the Spring.

The Descants consisted of freshmen girls who participated in choir. The Windsors consisted of mostly freshmen boys although those who entered the choir as sophomores, juniors, or seniors, and had never participated in choir before, were also in the Windsors. Those were only two of the choirs led by Becky Coffin this year.

Organizations . . .

Drama

Once again the Drama Club had an outstanding year. The fall production, *Inherit the Wind*, was based on Scope's Monkey trials. It involved very serious drama and a thoughtful interpretation. There was hard work for each committee. The sets and ward-

robe were set back fifty years which called for time consuming work finding character's clothes and constructing a sidewalk and an outside courthouse scene.

The spring musical, *Fiddler On The Roof*, involved cultural dancing. The

wardrobe was that of the Russian Jew soon after the turn of the century. This year's faithful officers were: President—Dean Blucker, Vice President—Rich Biever, Secretary—Jeane Weldy, Treasurer—Barb Culp.

Thespians

Thespians are Drama members who have acquired ten or more points. Each year, qualified members of the Thespian Society take a study trip to New York. To earn money for this year's trip, the group put on children's productions throughout the year. The major productions put on by the Thespians was Oscar and Hammerstein's musical, OKLAHOMA. For the first time, the Thespian production not only consisted of members and Northwood faculty but also included parents of Thespians.

Pep Club

This year's Pep Club was responsible for many exciting and important activities. Not only did they cheer the team on at all home basketball games, the Pep Club also decorated halls and lockers.

New Management

Under the direction of Mrs. Rick Smith, the Flag Corps and Pom Pon Corps performed with the band during half-time at the home football games, this included supporting the Panthers at the State play-off game. A favorite performance was "Gimme Some Lovin'" from the Blues Brothers. The Pom Pon Corps also entertained the audience at the basketball holiday tourney.

Mat Maids

The mat maids give the wrestlers support in ways other than just helping out at the meets. During the meets the girls were busy keeping score and doing other jobs that have to be done. They were also found making signs that were put up in the halls to get the wrestlers fired up for their meets.

F.C.A.

The Fellowship of Christian Athletes was a group of interested students who were athletes or supported the athletic department. One important activity sponsored by the FCA was the coat check during basketball games. A highlight of the year was when FCA invited Gerry Faust, Notre Dame's head football coach, to come to North-Wood as a guest speaker. FCA met on Thursday mornings for breakfast and prayer and fellowship.

Above: G. Faust entertains his audience with a good message.

Campus Life Invades Florida

Campus Life met again this year, at the homes of its members. One of the biggest events during the year was the Florida trip, during Spring Break. Clubs from various schools in Elkhart County made the 24 hour bus trip to the Tampa Bay area. While there, students were given the chance to participate in group discussion, in addition to the many sightseeing trips they took.

Same Club: New Name

Formerly called the Y-Teens, the ACTIVE (A Christian Teen is Very Eager) Club once again sponsored the ever-popular Saturday's Child for children in grades one through six. A variety of classes were offered, and were taught by NorthWood students. Other activities for the club included a Christmas party for faculty members' children, various programs during the year, and an awards trip at the end of the year.

Student Council, National Honor Society

The Student Council is a very important part of NorthWood. Among the activities they plan are Homecoming and Sweetheart. They also organize the annual fund raising contest between classes. The National Honor Society is a group of juniors and seniors, chosen by the faculty, based on scholarship, leadership, character, and service. New members were introduced to the group in an induction ceremony held in February.

Ink Well Staff

The Inkwell Staff's job was to decide which stories and poems would be used in the literary magazine. After the choices were made, staff members had to type them up and then work on layouts before the magazine can be sent to the press. Staff advisors were Mrs. Biltz, and Miss Vanderkolk.

J. Snider shows off his poem in last year's copy.

Staff members have a slight delay in the production of the Inkwell.

Editors Barb Culp and Dee Housour are busy working on layouts for the yearbook.

Logue Staff Works Hard

The Logue Staff worked very hard throughout the year to put together the finished yearbook that students receive. In the fall, all members were busy each day selling ads to businesses in the community. After all ads were sold, each section begins working on layouts and writing copy. The photographers were kept very busy taking the many necessary pictures that were needed. The staff worked under the direction of Mrs. Korenstra, advisor; and Barb Culp and Dee Housour, co-editors.

We're building your new home.

There's a very good chance that someday you will buy a site-delivered home. A home that's designed by housing professionals, engineered and built in a factory, and delivered to your piece of land.

If you like, it will come complete with furniture. It will certainly include all your major kitchen appliances, probably even some timesavers that haven't yet been invented. There will also be carpeting on the floor and curtains at the windows.

We build the forerunners of your new home every day, right here in Nappanee. Fairmont Homes, Inc. is the largest manufactured housing operation at one location in the world, occupying nearly 100 acres.

In less than a decade we've become the leading builder of site-delivered housing in the Midwest. We'll be here when you're ready for a home of your own.

We believe in the future of site-delivered housing.

And we believe in you.

Now that our edition of the Logue is completed we know that our days at NorthWood High School are over. We have many memories that we will always carry with us of our days here. We hope that this Logue will help you to remember all those special moments that may one day be forgotten. As you look through our Logue and reminisce over the times you spent at NorthWood High School, you too will also thank our staff and advisor Mrs. Korenstra for making "The times of your life," possible.
